CLUB CONNECTION

Our corporate volunteer program, Club Connection, where local businesses or organizations in town can adopt a Club site and send their employees to volunteer once a week, specifically helping with literacy, along with other fun activities at that site.

CAREER EXPLORATION

If a business or group wants to share about the work you do to give the kids an idea of what career they might be interested in in the future, we can hold a Career Day at one or more sites. We also have partners come in to run an activity or teach a lesson once or as a series.
